

Propositions for teachers and students

Visit and practice at Inka Llacta®

Inka Llacta® can be a unique pedagogic tool what regards the learning of the history of Peru, as well as for the learning of manual works. It can receive youngers and give them all the information required, using different materials (paintings, images) as well as practical workshops.

It is a tool destined for the knowledge about the patrimony, the archeological sites, the nature, their own history, the native biodiversity
