

## Conferences, courses, seminars of Inka Lacta®

Inka Lacta give the possibility to students, teachers, passionate or groups of people to learn a few techniques used in the Archeosite. It gives also seminars, at the Archeosite or in other places.

You can contact us at [inkallacta@gmail.com](mailto:inkallacta@gmail.com)

The themes are usually the Inca culture in general, its position in history, but also its techniques, tools, elements of its daily life...

Here some titles that Inka Lacta® can present :

- The native potatoes
- the native plants
- the Inca architecture , Túpac Yupanqui.
- El oro y la plata tenían un valor comercial para los Incas ?
- La Ak'jah, asua o Chicha
- El principio del Quirao y la vida cotidiana Inca
- El sacrificio
- El Imperio Incaico
- La gastronomía y su importancia en las culturas prehispánicas en el Perú.
- Las técnicas de cocciones.
- Las técnicas de conservaciones de los productos alimenticios y otros.
- Vajilla Inca o usada por los Incas.
- Porqué investigar la biodiversidad nativa?
- La alfarería
- La jewellery

Moreover, Inka Lacta offer to specialists the possibility to test their theories on the site, what regards archeology, agronomy, history, cooking, textile, design...
